## Ljubljana Festival vabi!

Poletni dnevi prinesejo v Ljubljano prav poseben kulturni utrip, v središču katerega je zagotovo Ljubljana Festival. Tudi letos, v že 64. izvedbi, je direktor Festivala Darko Brlek s svojo ekipo navdušil, in v Ljubljani, letošnji zeleni prestolnici Evrope, bomo lahko znova uživali v izjemnih umetniških predstavah, navdušeno ploskali izvrstnim umetnikom in tako znova obogatili naš skupni kulturni svet. Poleg največjih svetovnih imen, ki jih bomo to poletje gostili pri nas, sem posebno ponosen na izvrstno domačo produkcijo, ki se predstavlja na Ljubljana Festivalu. Vesel sem, da je njegova ekipa znala prepozнатi in nagraditi delo domačih ustvarjalcev ter jim tako pomagati na njihovi poti.

Ljubljana Festival je eden od najpomembnejših poletnih festivalov v Evropi, ki raste iz leta v leto. Poleg predanega dela ekipe gre zahvala tudi njegovim sponzorjem, podpornikom in priateljem, ki iz leta v leto prepoznavajo njegovo kakovost in poslanstvo. S svojo podporo dokazujejo, da je vlaganje v umetnost skupna naložba v prihodnost, za kar smo jim izjemno hvaležni. S skupnimi močmi in podporo Mestne občine Ljubljana zagotovo lahko v našem mestu tudi v prihodnje pričakujemo številne kulturne presežke.

Spoštovane obiskovalke, spoštovani obiskovalci, skrbno oblikovan program, v katerem boste tudi najzahtevnejši ljubitelji umetnosti našli prava doživetja zase, odlična prizorišča in preostalo dogajanje v Ljubljani vas to poletje zagotovo ne bodo pustili ravnodušnih.

Vabljeni torej v kulturno obarvano Ljubljano, kjer cenimo vrhunskost na vseh področjih, hkrati pa se zavedamo, da le s solidarnostjo, tovarištvom in medsebojnim spoštovanjem lahko zakorakamo v skupno prihodnost. In umetniki nam sporočajo prav to!

Želim vam obilo kulturnih doživetij v srcu Ljubljane, naj 64. Ljubljana Festival zdrami vse vaše čute in pusti nepozabne spomine!

## Spoštovani priatelji Festivala Ljubljana

tradicija, kakovost in svežina so vodilo letošnjega festivalskega poletja, ki ga bomo preživel v družbi velikih umetnikov z vsega sveta. Vabimo vas, da se nam pridružite in izkusite vrhunsko in sproščeno kulturno doživetje.

Uradno se bo 64. Ljubljana Festival začel 27. junija, ko bomo na Kongresnem trgu gostili zvezdanskega basbaritonista Erwina Schrotta, ki bo na koncertu opernih arij nastopil s sopranistko Jaquelino Livieri. Zanimive operne večere bodo ustvarili še tenorist Piotr Beczała ter dve predstavi Verdijevega Otella, v katerih bosta v naslovni vlogi gostovala slovita José Cura in Walter Fraccaro. Poletje bodo poleg opernih dogodkov močno zaznamovale tudi izvrstne plesne predstave. Kitajsko nacionalno operno in plesno gledališče bo gostovalo z baletom Konfucij, koreografinje Dexin Kong, ki je sedeminsedemdeseta generacija potomstva velikega kitajskega filozofa, SNG Opera in balet Maribor pa z baletom Gusar, ki kot vse sodobne uprizoritve tega baleta izhaja iz koreografije Mariusa Petipa, enega največjih baletnikov vseh časov. Za bolj sproščeno vzdušje bosta poskrbela večer flamenga Vida! ter romsko obarvana plesna predstava Sisi iz Budimpešte, ki temelji na legendi o

Poletje bo dolgo in polno prireditve, ki jih ne bi mogli organizirati brez izjemne podpore naše ustanoviteljice, mestne občine Ljubljana, in njenega župana Zorana Jankovića ter naših zvestih sponzorjev. Seveda pa je za nas najpomembnejše

romantični ljubezni med avstro-ogrsko cesarico Sisi in grofom Andrassyjem. Na Ljubljana Festival se vrača tudi Akademski državni balet Borisca Eifmana iz Sankt Peterburga z baletno predstavo Up and Down, ki bo 13. septembra sklenila skoraj tri mesece trajajoči festival. V Ljubljano prihajajo veliki svetovno priznani orkestri in dirigenti, Londonski simfonični orkester z dirigentom Gianandreom Nosedo, Kraljevi orkester Concertgebouw iz Amsterdama z Daniellom Gattijem, kitajski Simfonični orkester Schenzen. Gostili bomo tudi slovite soliste, pianista Simona Trpčeskega in Denisa Macujeva, violiniste Lano Troček, Dimitrija Sitkoveckega, Janeza Podleska in Sergeja Krilova ter basista Grigorija Soloviova. Svežino bosta prinesla Mediteranski mladinski orkester ter Mladinski orkester Evropske unije pa tudi gledališki predstavi Pilad iz izvedbi La Mame iz New Yorka in Tako je govoril Zaratustra z Anton Podbevšek teatrom in skupino Laibach. Ta se bo festivalskemu občinstvu predstavila tudi na koncertu s Simfoničnim orkestrom RTV Slovenija. Pestremu naboru privlačnih festivalskih prizorišč pa se bodo letos prvič pridružile tudi ladje, ki plujejo po Ljubljanici, na njih pa bodo nastopili nadarjeni mladi umetniki in umetnice. Za mlade pa smo pripravili še eno novost, in sicer 40-odstotni popust za vso šolajočo se mladino. Prepričani smo, da bomo s tem popustom opazno prispevali k še večji dostopnosti festivala, in verjamemo, da se bo naših prireditve zato udeležilo še več mladih, ki bodo lahko spoznali, da naš festival ni zgolj vrhunski in resen, ampak tudi svež, zabaven in sproščen.

Vreme nam letošnjo pomlad ni prizanašalo, aprilsko sneženje nam je nameč učinkilo streho poletnega gledališča Križank. Prireditve v Križankah se bodo sicer nemoteno nadaljevale, vendar pa bo del prizorišča, ki je namenjen občinstvu, začasno ostal nepokrit. Letos se bomo zato še bolj kot običajno ozirali v nebo in upali na vroče in sončno poletje.

Poletje bo dolgo in polno prireditve, ki jih ne bi mogli organizirati brez izjemne podpore naše ustanoviteljice, mestne občine Ljubljana, in njenega župana Zorana Jankovića ter naših zvestih sponzorjev. Seveda pa je za nas najpomembnejše

naše občinstvo, zaradi katerega že 64 let zapovrstjo ustvarjamo nepozabna doživetja in vrhunske umetniške užitke.

Toplo vabljeni na 64. Ljubljana Festival, veseli bomo vaše družbe.

## Dear friends of the Ljubljana Festival

Tradition, quality and freshness are the watchwords of this year's summer festival, which we will be spending in the company of great artists from all over the world. We invite you to join us and experience a blend of high culture and exciting performances.

The 64th Ljubljana Festival officially begins on 27 June when Congress Square (Kongresni trg) hosts the star bass-baritone Erwin Schrott in a concert of operatic arias with the soprano Jaqueline Livieri. Other interesting operatic evenings will be provided by the tenor Piotr Beczała and two performances of Verdi's Otello, with the title role shared by the famous tenors José Cura and Walter Fraccaro. As well as opera, this summer's festival features several notable dance events. The China National Opera and Dance Drama Theatre will perform the ballet Confucius, choreographed by Kong Dexin, a 77th generation descendant of the great Chinese philosopher. The SNG Opera & Ballet Maribor will perform Le Corsaire, which, like all modern stagings of this ballet, is based on the choreography of Marius Petipa, one of the greatest ballet dancers of all time. An atmosphere of a different kind will be provided by Vida! – an evening of flamenco – and Sisi – a gypsy-inflected dance spectacular from Budapest based on the legend of the romance between the Empress Elisabeth of Austria ('Sissi') and Count Andrassy. Returning to the Ljubljana Festival this year is the Eifman Ballet of St Petersburg, whose performance of the ballet Up and Down will bring the almost

three months of festival events to a close on 13 September. World-famous orchestras and conductors coming to Ljubljana this year include the London Symphony Orchestra with conductor Gianandrea Noseda, the Royal Concertgebouw from Amsterdam with conductor Daniele Gatti, and the Shenzhen Symphony Orchestra from China. We will also be hosting renowned soloists such as pianists Simon Trpčeski and Denis Matsuev, violinists Lana Trošek, Dmitry Sitkovetsky, Janez Podlesek and Sergei Krylov, and bass Grigory Soloviov. Freshness will be provided by the Mediterranean and the European Union Youth Orchestras and two theatrical presentations: New York theatre La MaMa's production of *Pylade* and the Anton Podbevšek Teater and Laibach's production of *Thus Spake Zarathustra*. The festival public will have another opportunity to see avant-garde music group Laibach in a concert with the RTV Slovenija Symphony Orchestra. The wide range of attractive festival venues is complemented this year for the first time by the riverboats plying the Ljubljanica, aboard which gifted young artists will be performing. In another new idea for young visitors to the Festival, we have decided to offer a 40% discount to all young people still in education. We believe that this discount will do a lot to make the Festival even more accessible, and hope that in this way even more young people will be persuaded to come to the events and discover that the Ljubljana Festival is not only a serious festival of the highest calibre, but also a fresh, fun and relaxed occasion.

The weather has not been kind to us this spring and the unexpected April snowfall caused considerable damage to the canvas roof of the Križanke summer theatre. Events at Križanke will continue according to programme, but the seating in the venue will temporarily remain exposed to the elements. We will therefore be watching the sky even more closely than usual this year and hoping for a hot and sunny summer.

The summer is long and crammed full of events. We would not be able to organise them all without the enormous support we receive from our founder the City of Ljubljana, headed by its mayor Zoran

Janković, and all our loyal sponsors. Most important of all, however, is our audience. It is for them that we have been creating, for 64 years running, unforgettable experiences and artistic pleasures at the very highest level.

You are cordially invited to join us at the 64th Ljubljana Festival. We look forward to seeing you.

Ljubljana Festival veličastno odpira svojo 64. izdajo s koncertom pod zvezdnatim nebom in z operno zvezdo na odru. Urugvajskega basbaritonista Erwina Schrotta je na velike operne odre ponesla zmaga na pevskem tekmovanju Placida Dominga Operalia leta 1998. V zadnjem času je eden najbolj cenjenih pevcev za vlogo don Giovannija, velja pa tudi za enega najboljših interpretov prav tako Mozartovih opernih likov, Leporella in Figara. »Basso cantante par excellence«, kot ga je poimenovala kritika, se bo predstavil tako z ariami iz Don Giovannija kot z izbranimi opernimi napevi iz romantičnega 19. stoletja. Prvovrstni pevec Erwin Schrott je argentinsko sopranistko Jaquelino Liveri povabil, naj skupaj z njim izmenjaje zapoje o večni (operni) temi – ljubezni. Poleg solističnih arij se bosta predstavila tudi v duetih ter pri tem oder delila z mogočnim zvokom združenih filharmoničnih orkestrov iz Zagreba in Ljubljane pod takstirko vzhajajoče italijanske zvezde, mladega dirigenta Francesca Ivana Ciampa.

The Ljubljana Festival begins its 64<sup>th</sup> edition in magnificent style with a concert under the starry sky and with an opera star on stage. The Uruguayan bass-baritone Erwin Schrott was propelled onto the world's great opera stages by his 1998 victory in the Operalia competition, founded by Plácido Domingo. In recent years he has been among the most highly regarded singers of the title role of Mozart's Don Giovanni and is also considered one of the finest interpreters of the other Mozartian roles of Leporello and Figaro. This basso cantante par excellence, as the critics have called him, will perform arias from Don Giovanni and a selection of operatic arias from the romantic nineteenth century. The first-rate singer Erwin Schrott invited the Argentine soprano Jaquelino Liveri to alternate for songs on the eternal (operatic) theme of love.

In addition to solo arias the pair will also perform a number of duets. The singers will share the stage with the powerful sound of the combined philharmonic orchestras of Zagreb and Ljubljana, directed by the young Italian conductor Francesco Ivano Ciampa, a rising star.

Gost / Guest: **Saša Olenjuk**

Po lanskem izjemno uspelem akustičnem avtorskem večeru ob 50-letnici delovanja Tomaža Domicelja se kantavtor, skladatelj, pesnik, pisec in prevajalec vráča na isto prizorišče, vnovič z avtorskim programom. Tokrat se mu bo pridružil Saša Olenjuk, ki ni samo izkušen violinist, ampak tudi večji kitarist in glasbenik, ki se rad podaja v etno, jazz, gypsy swing, rock in še marsikaterje glasbene vode. »Večina tistih, ki smo tlakovali dokaj alternativno ustvarjalno pot, je imela eno samo religijo – glasbo. Lepo bi bilo, če bi bilo še zdaj tako,« je zapisal legendarni Domicelj.

Following last year's hugely successful acoustic evening marking the 50<sup>th</sup> anniversary of his career, the singer-songwriter, composer, poet, writer and translator Tomaž Domicelj returns to the same venue with a programme of his own songs. This time he will be joined by Saša Olenjuk, who is not only an experienced violinist but a skilled guitarist and multifaceted musician at home in world music, jazz, gypsy swing, rock and many other musical genres. «Most of us who were blazing an alternative creative trail had just one religion – music,» the legendary Domicelj wrote. «It would be nice if it were still like that.»

PROGRAM / PROGRAMME:

S. RAHMANINOV: Koncert za klavir in orkester št. 2  
v c-molu, op. 18 / Piano concerto No. 2 in C minor,  
Op. 18

P. I. ČAJKOVSKI: Simfonija št. 5 v e-molu, op. 64 /  
Symphony No.5 in E minor, Op. 64

V Ljubljano se vrača Denis Macujev, ki bo v dveh večerih zapored predstavl svojo pianistično bravuroznost v klavirskih koncertih Sergeja Rachmaninova. Macujev se je od zmage na znamenitem tekmovanju Čajkovski leta 1998 do danes že zapisal v zgodovino največjih ruskih pianistov, kjer ima seveda poseben prostor tudi Rachmaninov. Drugi klavirski koncert tega ruskega poznoromantika sodi med njegova najbolj priljubljena dela, saj mojstrsko združuje privlačno liričnost in vznemirljivo virtuoznost. Pomenil je prelomnico v skladateljevem ustvarjanju, saj je Rachmaninova prebudil iz kreativne otopelosti v obdobju potrnosti. Tudi Simfonija št. 5 Petra Iljiča Čajkovskega z uvodno temo, ki se s stavki simfonije preobrazi iz mračne v sončno, nakazuje usoden preobrat iz temačnosti v vedrino. Zanimivo, da je skladatelj na to svojo partituro sprva gledal preveč samokritično, celo kot usihanje lastne ustvarjalne moči, a se je občinstvu prikupila in tudi danes velja za eno njegovih najbolj priljubljenih. Večer močnih čustev, prelitih na notno črtovje pod peresi ruskih glasbenih velikanov, bo vodil nadobudni dirigent, komaj 30-letni Jesko Sirvend. Lani je na Danskem navdušil žirijo na dirigentskem tekmovanju Nicolaia Malka in si prisluzil visoko tretjo nagrado ter nagrado občinstva, prepričal pa je tudi Orkester Zagrebške filharmonije, s katerim je sodeloval v zadnjih dveh sezona.

This year's Festival sees the return to Ljubljana of pianist Denis Matsuev, who will be displaying his brilliance in the piano concertos of Sergei Rachmaninov on two successive evenings. Since his victory at the prestigious International Tchaikovsky Competition in 1998, Matsuev has taken his place among the greatest Russian pianists in history, where Rachmaninov himself of course occupies a special position. The second Piano Concerto by the great Russian Late Romantic is one of his most popular works, with a masterful combination of attractive lyricism and exciting virtuosity. It represented a turning point in Rachmaninov's oeuvre, since it awakened him from the creative torpor of a period of depression. Tchaikovsky's Fifth Symphony, with an introductory theme that changes, through the movements of the symphony, from sombre to sunny, is another work that portrays the transformation from obscurity to brightness. Interestingly, the composer originally viewed this score with excessive self-criticism, even seeing it as a drying-up of his creative power. Yet it found favour with audiences and remains one of his most popular works. This evening of powerful emotions poured from the pens of Russian musical giants will be directed by an up-and-coming young conductor, the barely 30-year-old Jesko Sirvend. Last year he impressed the jury at the Malko Competition for young conductors, winning third prize and the audience prize. His performances also convinced the Zagreb Philharmonic Orchestra, with which he has been working for the last two seasons.

G. BOJČEVSKI: Balkanski portreti / Balkan portraits  
(Goran Bojčevski, klarinet / clarinet;  
Tomaž Marčič, harmonika / accordion; Nino Mureškič, tolkala / percussion; Jaka Puciha, klavir / piano)  
S. RAHMANINOV: Koncert za klavir in orkester št. 3 v d-molu, op. 30 / Piano concerto No. 3 in D minor, Op. 30

Kolosalni Rahmaninov Klavirska koncert št. 3 velja za eno najzahtevnejših del klavirske literature, saj mogočni in gosti glasbeni material terja od pianista stalno intenzivno aktivnost, najvišjo raven tehnične izpopolnjenosti in zbranosti v večplastnosti ter raznovrstno izraznost. Posnetek Denisa Macujeva z Orkestrom Mariinskega gledališča pod taktirko Valerija Gergijeva si je prisluzil pet zvezdic v ugledni glasbeni reviji BBC Music Magazine. Eno največjih pianističnih imen Macujev je z glasbeno osebnostjo Rachmaninova povezano tudi tako, da je od leta 2008 umetniški vodja Fundacije Sergeja Rachmaninova, ki jo je ustanovil skladateljev vnuček Aleksander Rachmaninoff. Pri tej fundaciji je izvedel in posnel tudi neznana dela Rachmaninova na skladateljev klavir v vili Senar pri Luzernskem jezeru. Koncertni program začenja suite Balkanski portreti v Celju živečega Gorana Bojčevskega. Multiinstrumentalist makedonskega rodu je končal specjalistični študij klarineta na slovitem salzburškem Mozarteumu in izkazuje posebno nadarjenost tudi kot skladatelj. Orkester slovenske radiotelevizije bo tokrat nastopil pod taktirko Bojana Sudžića, ki je lani praznoval 30-letnico kariere in je vodilno dirigentsko ime v Srbiji.

Rachmaninov's colossal Piano Concerto No 3 is considered one of the most demanding works in the piano repertoire. Its powerful and dense musical material demands constant intense activity from the pianist, the highest level of technical skill and concentration, and a wide range of expression. Denis Matsuev's recording with the Mariinsky Orchestra and conductor Valery Gergiev earned five stars in the prestigious BBC Music Magazine. Matsuev, one of the brightest stars in the piano firmament, is also linked to the figure of Rachmaninov through his role (since 2008) as artistic director of the Sergei Rachmaninoff Foundation, founded by the composer's grandson Alexander Rachmaninoff. Under the aegis of the Foundation he has performed and recorded little-known Rachmaninov works on the composer's own piano at Villa Senar near Lake Lucerne.  
The concert programme begins with the suite Balkan Portraits by Goran Bojčevski. This multi-instrumentalist of Macedonian origin, who lives in Celje, Slovenia, completed a postgraduate course in clarinet at Salzburg's famous Mozarteum and is revealing himself to be a gifted composer. The RTV Slovenia Symphony Orchestra is conducted by Bojan Sudžić, who last year celebrated the thirtieth anniversary of his career and is Serbia's leading conductor.

Ob 400. obletnici smrti Williama Shakespearea je ljubljanska Opera s Cankarjevim domom januarja premierno postavila na oder Verdijevega Otella, ki ga je na podlagi Shakespeareove drame predelal v libretto Arrigo Boito. Ob priložnosti gostovanja predstave na Festivalu Ljubljana bo naslovna vloga namenjena izjemnima opernima imenoma: 6. julija bo Otella uprizoril argentinski pevec, skladatelj, dirigent in producent José Cura, dan kasneje pa italijanski tenorist Walter Fraccaro. Oba slavnita kot izvrstna interpreta Verdijevih opernih junakov, Cura pa je že leta 1997 zaslovel prav kot Otello.

Verdijeva glasbena drama je zgodbva o ljubezni, zavisti, maščevanju in stopnjevanem ljubosumju, ki Otella zanese celo tako daleč, da umori svojo sicer zvesto soprogo Desdemono. Bil je žrtev nevoščljivega Jaga, ki ga je napeljal v zmotno prepričanje o Desdemonini naklonjenosti Cassiu. Tragični junak Otello ob koncu spozna, da je bil do svoje tedaj že mrtve soproge krivčen, in obupan tudi sebe zabode v smrt.

In January this year the Ljubljana Opera and Cankarjev Dom marked the 400<sup>th</sup> anniversary of the death of William Shakespeare with their staging of Verdi's *Otello*, with a libretto by Arrigo Boito based on Shakespeare's tragedy *Othello*. As the production returns to the Ljubljana Festival, the title role will be shared by two star names: on 6 July the role of *Otello* will be interpreted by the Argentine singer, composer, conductor and producer José Cura, while the following day the role will be sung by the Italian tenor Walter Fraccaro. Both singers are famed interpreters of Verdi's heroes, with Cura having first sung *Otello* to great critical acclaim back in 1997.

Verdi's musical drama is a story of love, envy, revenge and intense jealousy – which so consumes *Otello* that he is led to murder his blameless bride Desdemona. *Otello* himself was the victim of the envious Iago, who persuaded him, falsely, that Desdemona was deceiving him with Cassio. In the end the tragic hero *Otello* realises that he has wronged his now dead spouse and, in despair, fatally stabs himself in the heart.

performance is in Slovene with English subtitles.

V predstavi Tako je govoril Zaratustra nemškega filozofa Friedricha Nietzscheja so si režiser Matjaž Berger in soustvarjalci izbrali hojo po liniji Nietzschevega zasledovanja mostu med živaljo, človekom in čezčlovekom. Pri tem gre za afirmativno zastavitev intimne linije dela k notranji preobrazbi človeka. Zaratustra, ki krščansko zapoved po ljubezni do bližnjega »prekrsti« v »ljubezen do nadaljnjega«, je po Nietzscheju nekdo, ki ljudi uči in jih spodbuja k nenehnemu preseganju lastnega sebstva, ki je v razpoznavanju in zasledovanju volje same, moč, v kateri je treba najti in prepoznati. Človek je za Nietzscheja vselej prehod: most, in ne cilj, vrv nad prepadom, ki na svoji poti išče sopotnike, soustvarjalce, s katerimi bi delil in ustvarjal. Hoteti osvobaja: hoteli je ustvarjati. »To je torej moja pot, kje je vaša?« Tako je govoril Zaratustra.

*In this production based on Thus Spake Zarathustra by the German philosopher Friedrich Nietzsche, director Matjaž Berger and his co-creators have elected to walk the line of Nietzsche's bridge between animal, man and superman. In doing so they have affirmatively mapped out the intimate path of man's inner transformation. According to Nietzsche, Zarathustra, who «rechristens» the Christian commandment «love thy neighbour» as «love for the furthest», is someone who teaches people and constantly encourages them to transcend their own selves, which, in identifying and pursuing the will itself, is the power they need to seek and recognise. Man is always an «over-going» for Nietzsche: a bridge not a goal, a rope over an abyss. On his way he seeks fellow travellers, fellow creators with whom to share and create. Willing emancipates: for willing is creating. «This then is my path, where is yours?» Thus spake Zarathustra.*

Kitajsko nacionalno operno in plesno dramsko gledališče deluje pri Ministrstvu za kulturo Ljudske republike Kitajske in je v svoji polstoletni zgodovini postavilo na oder več kot sto predstav. Konfucij je spektakularna koreografska drama o starodavnem kitajskem filozofu, ki je živel v 6. in 5. stoletju pr. n. št. Opisuje njegovo potovanje po deželah, ki je polno frustracij, saj se njegove sanje niso uresničile, njegova predanost pa ni bila nikoli poplačana. Zgodba se dogaja v kaotičnem času, ko so bili vladarji kraljestev zmedeni in obsedeni z družbo lepih deklet. Pri Konfuciju so se posvetovali, kako voditi kraljestva, njegovih nasvetov pa niso upoštevali. Zviti uradniki so dobro znali spletkariti. Konfucij je zaman skušal ultiči v bonton in politiko dobrohotnosti. Vpletjen v zaroto dvora pa je bil prisiljen zbežati, da je rešil svoje življenje. Med potjo, na kateri so ga pestile številne nevarnosti in lakota, je uvidel podobo sveta v harmoniji ... Vojne, brezdomci, božanski mandrijev gozd se je spremenil v bojišče ... V temni poti njegove žalostne vrnilte domov pesem Youlan ni več zvenela kot samopomilovalna, ampak kot spodbuda in podpora težkim odgovornostim. Konfucijeva doktrina se je vendarle širila.

The Chinese National Opera & Dance Drama Theatre operates under the aegis of the Ministry of Culture of the People's Republic of China and over the course of its half century of history has staged more than 100 productions. Confucius is a spectacular dance drama based on the story of the ancient Chinese philosopher who lived between the sixth and fifth centuries BC. It describes his journey through the kingdoms - a journey full of frustrations because his vision was not realised and his sacrifice never repaid. The story is set in a chaotic period when the rulers of the kingdoms were in a state of confusion and obsessed with the company of beautiful maidens. They sought Confucius' advice on how to govern their kingdoms, yet failed to heed his wise counsels. Cunning officials were skilled in the art of intrigue. Confucius strove in vain to introduce seemly conduct and a policy of benevolence. Implicated in a conspiracy at court, he was forced to flee for his life. During a journey on which he was beset by numerous dangers and hunger, he saw a vision of the world in harmony... wars, homeless people, a divine almond grove transformed into a battlefield... On the dark journey of his sorrowful return home, the melody Youlan no longer sounded self-pitying but as an encouragement and support for heavy responsibilities. And despite everything Confucianism began to spread.

# Pier Paolo Pasolini: PILAD / PYLADE

Posebni gost / Special Guest Artist: **MARKO MANDIĆ**

Režiser / Director: **Ivica Buljan**  
Zasedba / Cast: **Great Jones Repertory Company**  
Produkcija: **Eksperimentalni klubski teater La MaMa / La MaMa Experimental Theatre Club**

Sloviti in kontroverzni italijanski režiser, pesnik, dramatik, publicist in politik Pier Paolo Pasolini tudi v predstavi Pilad obravnava pomenljive družbene teme: demokracija, potrošništvo, novi model masovne mentalitete, boj za družbene spremembe. Tragedijo v veržih je začel pisati leta 1966 in jo osnoval na Ajshilovi Oresteji. Glavna ideja je obnovitev družbenih norm, političnih sistemov in verskih prepričanj. Predstava Pilad je na premierni newyorkški postaviti doživelva izjemen uspeh, ki ga gre pripisati tudi izvrstni igralski zasedbi pod vodstvom prizanega hrvaškega režiserja Ivice Buljana ter prvaku slovenskega gledališča Marku Mandiču.

*Pylade, a play by the celebrated and controversial Italian director, poet, playwright, journalist and politician Pier Paolo Pasolini, addresses weighty topics such as democracy, consumerism, the new mob mentality and the struggle for social change. Pasolini based his verse tragedy, which he began writing in 1966, on Aeschylus' Orestela trilogy. The play centres on the idea of renewal – of social norms, political structures and religious beliefs. The New York premiere production of Pylade was rapturously received, its success in large part due to the excellent cast assembled by renowned Croatian director Ivica Buljan and headed by Marko Mandić, one of the leading lights of Slovene theatre, in the title role.*

# SIMON TRPČESKI

klavir / piano

Dirigent / Conductor: **Luis Gorelik**  
Orkester Slovenske filharmonije / Slovenian  
Philharmonic Orchestra

PROGRAM / PROGRAMME:

L. van BEETHOVEN: Simfonija št. 5 v c-molu, op. 67 /  
*Symphony No. 5 in C minor, Op. 67*  
L. van BEETHOVEN: Koncert za klavir in orkester št.  
5 v Es-duru »Imperator«, op. 73 / *Piano Concerto*  
*No. 5 in E flat major "Emperor", Op. 73*

Znameniti uvodni motiv Beethovnove 5. Simfonije je eden najbolj poznanih in citiranih odsekov klasične glasbene literature. Simfonija po prvi izvedbi decembra 1808 sicer ni doživel navdušenja. Med velika dela pa se je zapisala leta 1810 z nadvse pozitivno recenzijo znanega kritika E. T. A. Hoffmanna in se kmalu uvrstila v redni simfonični repertoar, kjer je še zdaj zelo pogosto zastopana. V letu 1809 je Beethoven začel pisati svoj peti klavirski koncert, a ga, v nasprotju s prejšnjimi, ni sam krstil. Naglušnost skladatelja in pianista se je vse bolj krepila in verjetno je »Imperator« zato poslednji Beethovnov koncert za klavir. Na ljubljanskem festivalskem odru ga bo izvedel uveljavljeni makedonski pianist Simon Trpčeski, ki v zadnjih letih nastopa s številnimi uglednimi orkestri. Precej dejaven je zlasti v Angliji, kjer je reden gost osrednjih orkestrov v Londonu, Birminghamu in Liverpoolu. Taktirka bo v rokah argentinskega dirigenta Luisa Gorelik, ki je z Orkestrom Slovenske filharmonije že večkrat sodeloval.

The famous opening motif of Beethoven's Fifth Symphony is one of the best known and most frequently quoted themes in all of classical music. Though the symphony was not well received on its first performance in December 1808, it took its place among the great works in 1810 following a highly positive review by the eminent critic E. T. A. Hoffman and soon became part of the standard symphonic repertoire. It is still performed regularly today. Beethoven began composing his Piano Concerto No. 5 in 1809. Unlike its predecessors, this concerto was not premiered by the composer himself. Beethoven's growing deafness was probably also the reason why the Emperor Concerto, as it is known, would be the great composer's last piano concerto. Bringing the work to the Ljubljana Festival stage is the Macedonian pianist Simon Trpčeski, who in recent years has performed with numerous prestigious orchestras. He is particularly active in England, where he is a regular guest of the principal orchestras in London, Birmingham and Liverpool. The orchestra will be directed by the Argentine conductor Luis Gorelik, who has already worked with the Slovenian Philharmonic on a number of occasions.

J. S. BACH, prir. / arr. D. SIKOVECKI: Goldbergove variacije, BWV 988 / Goldberg variations, BWV 988

Ime Dimitrija Sirkoveckega je tesno povezano z znamenitimi Bachovimi Goldbergovimi variacijami, ki jih je Sirkovecki transkribiral za godalni trio in godalni orkester. Doživele so številne izvedbe in odlične posnetke z najbolj cenjenimi svetovnimi glasbeniki. Navdihnen s tem uspehom je izdelal še več kot 50 priredb znanih mojstrov, kot so Haydn, Beethoven, Brahms, Bartók, Čajkovski, Šostakovič, Stravinski in Schnittke.

*The name Dmitry Sitkovetsky is closely associated with Bach's famous Goldberg Variations, which Sitkovetsky transcribed for string trio and string orchestra. His arrangements are performed frequently and excellent recordings have been made of them by some of the world's most renowned musicians. Encouraged by this success, he has transcribed more than 50 other works by masters such as Haydn, Beethoven, Brahms, Bartók, Tchaikovsky, Shostakovich, Stravinsky and Schnittke.*

Solist / Soloists: **Stefan Dohr, Andrej Žust**, rog / horn

PROGRAM / PROGRAMME:

G. P. TELEMANN: Suite »Don Kihot«, TWV 55:G10 / »Don Quixote« Suite, TWV 55:G10  
G. P. TELEMANN: Koncert za dva rogova, godala in continuo v Es-duru, TWV 52:Es1

H. I. F. BIBER: Battalia

W. A. MOZART: Glasbena šala, K 522 / *Ein musikalischer Spaß*, K 522 / A Musical Joke, K 522

Ob bok Telemannovim delom je Komorni godalni orkester Slovenske filharmonije postavil skladbi, ki med prvimi vsebujeja politonalnost. Solista večera prihaja iz vrst slavnih Berlinskih filharmonikov, med katere se je Andrej Žust kot prvi slovenski glasbenik uvrstil leta 2011. Zanimivo, da sta bila oba pri isti starosti, pri 19 letih, že povabljeni kot solohornista v pomembna orkestra – Stefan Dohr v orkester opere v Frankfurtu, Žust pa v Orkester Slovenske filharmonije. Nastopil bo torej s svojimi nekdajnimi orkestrskimi kolegi godalci ter priznanim, že vrsto let berlinskim solohornistom Dohrom.

*For this evening's programme the Slovene Philharmonic String Chamber Orchestra has juxtaposed two works by Telemann with two compositions that were among the first to feature polytonality. This evening's soloists come from the ranks of the famed Berliner Philharmoniker – which Andrej Žust became the first Slovene musician to join in 2011. Interestingly, both musicians were invited to join important orchestras as solo horn players at the age of just 19. In Stefan Dohr's case this was the orchestra of the Frankfurt Opera, while for Žust it was the Slovenian Philharmonic. This evening's concert thus sees Andrej Žust performing with former colleagues – string players from his former orchestra – and a distinguished current colleague – the principal horn player (since 1993) from his current orchestra, Stefan Dohr.*

# BERIOZKA

Ruski državni ansambel ljudskih plesov /  
Russian National Folk Dance Ensemble

Leta 1948 ustanovljeni plesni ansambel Beriozka slovi kot sestav, ki osuplja občinstvo po vsem svetu s posebnim, skrivnim plesnim korakom. Svoje predstave vedno začnejo s plesom v krogu, v katerem predstavijo znameniti korak, pri katerem ustvarijo iluzijo, da se ne premikajo plesalci, temveč oder okrog njih. Po besedah vodje ansambla Mire Kolcove pa pravi razlog, da je njihovo občinstvo vselej očarano, ni telesni, ampak njihova izraznost, ki izvira iz dna duše.

Founded in 1948, the Beriozka Folk Dance Ensemble is famed for its special – and secret – dance step that continues to astonish audiences around the world. The dancers always begin their performances with a round dance in which they display this famous step, creating the illusion that the dancers are standing still while the stage revolves beneath them. According to the ensemble's leader Mira Koltsova, the real reason why Beriozka's audiences are always enchanted is not a physical one but is due to their expressivity, deriving from the depths of the soul.

Nastopajoči izvrstni koncertanti se že vrsto let srečujejo kot docenti na poletni glasbeni akademiji v Feldkirchnu na Koroškem v Avstriji. Poleg dela z mladimi glasbeniki se tedaj z veliko vnemo posvečajo tudi muziciranju z vselej všečnim in raznovrstnim glasbenim programom. Tokrat so se glasbeniki združili v redek sestav in pripravili program z deli zakoncev Clara in Roberta Schumann ter Johannaesa Brahma, med katerimi lahko najdemo številne povezave, poleg tega pa je prav jedro sporeda, Brahmsov Trio, nastalo ob Vrbskem jezeru (na avstrijskem Koroškem).

The outstanding concert musicians appearing this evening have already worked together for several years as teachers at the summer music academy at Felakirchen in the Austrian state of Carinthia. During the academy, as well as working with young musicians, they also devote themselves with great enthusiasm to music-making, with an always satisfying and varied programme. On this occasion they come together in an unusual ensemble to present a programme of works by Clara and Robert Schumann and Johannes Brahms, among which numerous connections may be found. Interestingly, the centrepiece of the programme, the Brahms Trio, was written on the shore of the Wörthersee in Austrian Carinthia.

Omogočata preplet različnih idej, razvijanje novih dimenzij pri glasbeni interpretaciji in moč izražanja, ki ima veliko izvirnosti. Tudi program zajema dela ruske in francoske glasbene literature. Za zasedbo kvinteta se bo godalcem pridružil še priznani bolgarski pianist Ludmil Angelov.

*The uniqueness of the Elysée Quartet lies in the confrontation and assimilation of the two different traditions from which its members are drawn: the French and Russian schools. These mutually enriching traditions enable a blending of different ideas, the development of new dimensions in the interpretation of music, and a strength of expression which has great originality. This evening's programme likewise features works by French and Russian composers. For the piano quintet, the Quartet is joined by the acclaimed Bulgarian pianist Ludmil Angelov.*

 L. van BEETHOVEN: Sonata za klavir in violončelo v D-duru št. 2, op. 102 / Sonata for Piano and Cello in D major No. 2, Op. 102

Med avtorji glasbe na koncertnem programu obstaja več povezav. Vsi so bili dejavní in prepoznavni tudi kot odlični pianisti. Še posebno Hummel je s svojo didaktično izdajo o klavirski tehniki vplival na vrsto pianistov naslednjih generacij. Kratek čas naj bi poučeval tudi Mendelssohna, ki je pri svojem ustvarjanju čutil vpliv Beethovna. Čeprav sta bila Hummel in Beethoven sodobnika, je med njuno glasbo opaziti razlike v kompozicijski praksi. Slišati jo bo v izvedbi bratov Petrač, priznanih slovenskih glasbenikov in pedagogov.

*A number of connections exist among the composers included in tonight's programme. All of them were also renowned and active pianists. Hummel in particular, whose „Complete Theoretical and Practical Course of Instruction on the Art of Playing the Piano Forte“ influenced pianists for generations. It is said that for a brief period he even gave lessons to Mendelssohn, whose own works showed the influence of Beethoven. Although Hummel and Beethoven were contemporaries, differences in compositional practice may be observed in their music. Their works are performed here by the Petrač brothers, both of them acclaimed musicians and teachers.*

# ITALIJANSKA SERENADA ITALIAN SERENADE

**Vicente Campos**, trobenta / trumpet

Dirigent / Conductor: **Pier Carlo Orizio**

**Komorni godalni orkester Slovenske filharmonije / Slovene Philharmonic String Chamber Orchestra**

## PROGRAM / PROGRAMME:

H. WOLF: Italijanska serenada / Italian Serenade  
 T. ALBINONI: Koncert za trobento v B-duru / Trumpet Concerto in B flat major  
 A. CORELLI: Sarabande - Gigue - Badinerie iz Suite za godala / from the Suite for Strings  
 G. TARTINI: Andante in Presto / Andante and Presto  
 G. TARTINI: Koncert za trobento v D-duru / Trumpet Concerto in D major  
 L. BOCCHERINI: "La musica notturna nelle strade di Madrid" / Kvintet v C-duru št. 6, op. 30, "Nočna glasba na madridskih ulicah" / String Quintet in C major No.6, Op.30 "Night Music of the Streets of Madrid"

Italijanska serenada je ena izmed redkih zgolj instrumentalnih skladb Huga Wolfa, skladatelja izjemnih samospevov, rojenega v Slovenj Gradcu. Poleg njega obsega program še skladbi prav tako danes na Slovenskem rojenega velikega glasbenika, piranskega violinista in skladatelja Giuseppeja Tartinija. Program, v katerem prevladuje italijanska tradicija, bo ansambel godalcev slovenskih filharmonikov, ki običajno nastopa brez dirigenta, tokrat izvedel pod takstirko italijanskega maestra, koncerta za trobento pa bo interpretiral španski virtuzoz.

The Italian Serenade is one of the few purely instrumental works by Hugo Wolf, born in Slovenj Gradec in present-day Slovenia and better known for his remarkable lieder. The programme also includes another great musician born in present-day Slovenia: the violinist and composer Giuseppe Tartini, who was born in Piran. In a programme in which the Italian tradition predominates, the Slovene Philharmonic String Chamber Orchestra, which usually performs without a conductor, will be directed by the Italian maestro Pier Carlo Orizio. The soloist in the trumpet concerto is Spanish virtuoso Vicente Campos.

### **PROGRAM / PROGRAMME:**

U. PREVORŠEK (prir. / arr. F. AVSENEK): Appassionato za violino in klavir / *Appassionato for Violin and Piano*  
J. BRAHMS: Sonata za violo in klavir št. 1 v f-molu, op. 120 / *Sonata for Viola and Piano No.1 in F minor, Op. 120*  
J. BRAHMS: Sonata za violo in klavir št. 2 v Es-duru, op. 120 / *Sonata for Viola and Piano No.2 in E flat major, Op. 120*  
G. GERSHWIN (prir. / arr. F. AVSENEK): Andante con moto e poco rubato za klavir  
*Andante con moto e poco rubato for Piano*

Viola se je kot solistični inštrument uveljavila šele v zgodnjem 20. stoletju, zato je za to godalo zelo malo solističnega repertoarja, nastalega pred letom 1900. Tudi Brahms je svoji Sonati op. 120 sprva napisal za klarinet in nato še v verziji za violo. Franc Avsenek je avtor številnih pripredb, ki jih je izvedel s svojim inštrumentom v različnih komornih zasedbah. Poznamo ga tudi kot dolgoletnega solo violista v Simfoničnem orkestru RTV Slovenija. Več kot 20 let je profesor na ljubljanski Akademiji za glasbo, enako njegov glasbeni partner na koncertnem programu, priznani pianist Hinko Haas.

*The viola only established itself as a solo instrument in the early twentieth century. As a result, the solo repertoire for this instrument dating from before 1900 is very small. Even Brahms's Sonata Op. 120 was originally written for clarinet and only subsequently arranged for viola. Franc Avsenek made numerous arrangements for viola and performed in a variety of chamber ensembles. He has also been the solo violist with the RTV Slovenia Symphony Orchestra for many years. He has taught at the Ljubljana Academy of Music for more than 20 years, just like his musical partner in this concert programme, the renowned pianist Hinko Haas.*

# CVETJE V JESENI BLOSSOM IN THE FALL

Muzikal / Musical

Po povišti Ivana Tavčarja / After the novel by Ivan Tavčar

Skladatelj / Composer: Matjaž Vlašič

Aranžma / Orchestration: Anže Rozman

Libreto / Libretto: Janez Usenik

Režiser / Director: Vojko Anzeljc

Koreografija / Choreography: Miha Krušič

Producentka / Producer: Miša Stanko

Alenka Kozolc Gregurić

»Pretrcesala me je ljubezen, enaka viharju, enaka neviht! Prišla je pozno, prav tako je prišla, kakor pride časih kako cvetje v pozni jeseni. Sadu ni rodila, kakor ga ne rodi jesenski cvet,« je zapisal Ivan Tavčar. Tako je glavni lik Janez, premožen meščanski odvethnik, začel pripovedovati zgodbo o ljubezni svojega življenja – Meti, mladem kmečkem dekletu. Nameraval se je iz mesta preseliti na kmetijo in njuno ljubezen okronati v zakonsko življenje, nenadna smrti Mete pa je te sanje razblnila. Scenarij zvesto sledi izvirniku, v besedilu pa najdemo tudi odseve današnjega časa. Ustvarjalci in zasedba so od premiere leta 2014 navdušili publiko po vsej Sloveniji, tako da jih je velikokrat nagradila s stoječimi ovacijami.

„I was shaken by a love that was like a storm, like a tempest! It was late in coming, yet come it did, just as fruit trees sometimes blossom in late autumn. But like the autumn blossom, it bore no fruit.“ With these words Ivan Tavčar’s protagonist Janez, a wealthy lawyer from the city, begins the tale of the love of his life – Meta, a young peasant girl. Janez plans to leave the city and move to a farm, where he and Meta will crown their love with marriage, but this dream is shattered by Meta’s sudden death. The script closely follows Tavčar’s original work while at the same time offering a number of connections to present reality. This musical has been delighting audiences throughout Slovenia since its premiere in 2014, with frequent standing ovations for cast and crew.

Violinist Sergej Krilov sodeluje z največjimi imeni glasbenega sveta. Od leta 2008 je umetniški vodja in šef dirigent Litovskega komornega orkestra, ki (skupaj z nacionalno filharmonijo in Vilenskim godalnim kvartetom) domuje v nacionalni filharmoniji v Vilni. Od tedaj se redno predstavlja v dvojni vlogi kot solist ter dirigent in prebira širok glasbeni repertoar od baroka do sodobnih stvaritev. Za ljubljanski nastop je izbral priljubljena dela avtorjev, ki so bili tudi sami izvrstni violinisti. Znameniti Vivaldijev cikel poslušalce v štirih tristavčnih violiniskih koncertih poneße skozi vse letne čase. V drugem delu pa se obeta virtuoznosti in strasti polna španska glasbena zakladnica. Uvaja jo suite, ki jo je violinist Kochanski v sodelovanju z de Falla priredil za violinino, sledijo pa dela Sarasateja, vključno z všečno fantazijo na najbolj poznane melodije iz opere Carmen.

Violinist Sergej Krylov has worked with some of the biggest names in music. In 2008 he was appointed artistic director and principal conductor of the Lithuanian Chamber Orchestra, which (together with the Lithuanian National Philharmonic Orchestra and the Vilnius String Quartet) has its home at the National Philharmonic Hall in Vilnius. Since then he has performed regularly in the dual role of soloist and conductor and excels in a wide repertoire ranging from the baroque to contemporary compositions. For his Ljubljana appearance he has selected favourite works by composers who were themselves eminent violinists. Vivaldi's famous cycle, consisting of four violin concertos of three movements each, takes listeners through the four seasons of the year. The second part of the programme is devoted to the Spanish musical tradition, full of virtuosity and passion. It begins with a suite arranged for violin by the Polish violinist Paul Kochanski with the blessing of its composer Manuel de Falla. This is followed by two works by Pablo de Sarasate, including the attractive Carmen Fantasy based on the most famous melodies from Bizet's opera Carmen.

Londonški simfonični orkester, znan pod akronimom LSO, sodi med svetovno peščico najuglednejših orkestrov. V bogati glasbeni tradiciji Londona je prav LSO najstarejši simfonični orkester. Ustanovljen je bil leta 1904 v mestu z bogato glasbeno tradicijo, danes pa velja za najstarejši stalno delujoči simfonični orkester v Londonu. Vsako leto se predstavi s 120 koncerti v sodelovanju z zavidljivimi glasbenimi imeni. Predan je tudi glasbeni vzgoji in izvaja program, imenovan LSO Discovery, ki doseže več kot 60.000 ljudi vsako leto. Tesno sodelovanje z orkestrom vzdržuje italijanski dirigent Gianandrea Noseda, ki se bo s tem koncertom prvič predstavil v novi vlogi glavnega gostujočega dirigenta LSO. Noseda je v svoji karieri zasedal vodilne položaje številnih pomembnih orkestrov: devet let je vodil Filharmonike BBC, desetletje je bil prvi tuji gostujoči dirigent Mariinskega gledališča itd. Poznan je kot glasbeni vodja Teatra Regio Torino, ki ga je ponesel med mednarodno uveljavljene sestave s številnimi produkcijami, turnejami, snemanji ter filmskimi projektmi. Leta 2017 bo postal glasbeni direktor nacionalnega simfoničnega orkestra v centru uprizoritvenih umetnosti Kennedy Center v Washingtonu. Solistka večera je slovenska violinistka Lana Trotovšek, ki ustvarja blešečo kariero v navezi z uglednimi imeni glasbenega sveta. Prav s Prvim violinškim koncertom S. Prokofjeva je leta 2012 uspešno debitirala z Orkestrom Mariinski gledališča pod taktirko slovitega Valerija Gergijeva.

The London Symphony Orchestra, or LSO, is among the finest and most prestigious orchestras in the world. Hailing from a city with a rich musical tradition, the LSO was founded in 1904 and is London's oldest continually running symphony orchestra. Each year it gives around 120 concerts at its home in the Barbican and around the world, alongside some of the biggest names in music. The LSO is also committed to musical education and runs a programme called LSO Discovery that reaches more than 60,000 people every year with its pioneering work. Italian conductor Gianandrea Noseda maintains a close collaboration with this Orchestra, and this concert marks the first appearance in his newly-appointed role of LSO Principal Guest Conductor. Over the course of his career Noseda has occupied other important positions with several major orchestras, including nine years as principal conductor of the BBC Philharmonic and a decade as the first guest conductor at the Mariinsky Theatre in St Petersburg. His appointment as Music Director of the Teatro Regio Torino in 2007 ushered in a transformative stage matched with international acclaim for new productions, tours, recording and film projects. In 2017, he will become the Music Director of the National Symphony Orchestra at the Kennedy Center in Washington DC. The soloist this evening is the Slovene violinist Lana Trotovsek, whose burgeoning career has already seen her work with some of the most eminent names in the classical music world. It was with a work from tonight's programme, Prokofiev's Violin Concerto No. 1, that she enjoyed her successful debut with the Mariinsky Theatre Orchestra under the celebrated Valery Gergiev in 2012.

Vlado Kreslin letos praznuje petindvajsetletnico svojih koncertov na Ljubljana Festivalu. Prvič je na Letni oder Festivala v Križankah stopil s prekmurskimi muzikanti legendarne godčevske Beltinške bande 1991. Od takrat sta se v njegovih zasedbah in na tem prizorišču zvrstili bogata paleta glasbenikov in obilica gostov iz tujine in domovine.

26. avgusta bo stopil na oder s svojo dolgoletno avtorsko zasedbo Mali bogovi in še starejšo ljudsko Beltinško bando, z 88-letnim očetom Milanom in posebnimi gosti: Big bandom Orkestra Slovenske vojske pod vodstvom dirigenta Rudija Gasa.

This year Vlado Kreslin celebrates twenty-five years of concerts at the Ljubljana Festival. His first appearance on the Festival's Summer Stage, in the Križanke complex, was with the musicians of the legendary Beltinška Banda, a folk group from Beltinci in Slovenia's north-eastern Prekmurje region, in 1991. Since then he has performed in this venue with various bands featuring a wide range of musicians and numerous guests from Slovenia and abroad.

On 26 August he will take the stage with his long-running rock band Mali Bogovi, the veteran folk group Beltinška Banda (featuring his 88-year-old father, Milan) and special guests – the Slovenian Army Big Band conducted by Rudi Gas.

Sándor Román nastopa od svojega desetega leta. V ZDA, Kanadi in Evropi se je izobraževal iz ljudskih plesov, klasičnega baleta in sodobnih plesnih tehnik. Svojo bogato kariero je usmeril v revolucioniranje kulture madžarskega ljudskega plesa. Leta 2000 je ustanovil svoj ansambel, ExperiDance Production, pri katerem premišljeno združuje madžarsko folkloro in moderni ples. Ustvaril je edinstven plesni stil, ki ga predstavlja v dih jemajočih predstavah, s katerimi doživlja izjemne uspehe. Nova predstava Sisi ponese občinstvo na dvor avstro-ogrskega cesarstva. Epizode noči plesnega večera, polne hrepenečih neizpolnjenih želja, je navdihnila legenda o lepi Sisi, uporniški cesarici, in držnem grofu Andrássyju, ljubezenski trikotnik pa tu ustvari še lepo romsko dekle. Na održu je združenih 28 plesalcev ansambla ExperiDance Production in 40 solistov Budimpeškega romskega simfoničnega orkestra.

Sándor Román has been performing since the age of 10. Having trained in the USA, Canada and Europe in folk dance, classical ballet and modern dance techniques, he has enjoyed a rich career focused on revolutionising the culture of Hungarian folk dance. In 2000 he founded his own dance company, ExperiDance Production, with which he inventively combines Hungarian folk dance and modern dance. He has created a unique dance style, which he has showcased in a series of breathtaking productions that have enjoyed huge success. The new show, *Sissi*, transports the audience to the imperial court of Austro-Hungary. The episodes from the night of the grand ball, full of yearning unfulfilled desire, are inspired by the legend of the beautiful Sissi, the „rebel empress”, and bold Count Andrássy. The third figure in this love triangle is a beautiful Gypsy girl. The show brings together 28 dancers from the ExperiDance Production troupe and 40 soloists from the Budapest Gypsy Symphony Orchestra.

Godalno sekcijo označujejo kot »žametno«, zvok trolibilne sekcijs kot »zlat«, barvo pihal kot »izrazito osebno«, tolkala pa imajo mednarodni sloves – to so odlike Kraljevega orkestra Concertgebouw, ki velja za enega najboljših na svetovni glasbeni sceni. Domuje v, po mnenju številnih poznavalcev, najbolj akustični dvorani, to je istoimenski Concertgebouw v Amsterdamu. Na tem prizorišču orkester izvede 80 koncertov letno in še 40 vsako leto na vodilnih održih po vsem svetu. Od ustanovitve leta 1888 mu je dirigirala vrsta izjemnih dirigentov, tudi znani skladatelji, kot sta Gustav Mahler in Richard Strauss. S sezono 2016/17 prevzema vlogo šefa dirigenta Daniele Gatti, ki je bil do letos glasbeni vodja Francoskega nacionalnega orkestra. Gatti je prej zasedal vodilne položaje v Kraljevem filharmoničnem orkestru, Zürski Operi, Mestnem gledališču v Bolgiji, Orkestru Nacionalne akademije sv. Cecilije idr. S Kraljevim orkestrom Concertgebouw bo predstavljal program izrazite barvitosti, pogoste menjave tempov, nekonvencionalnih glasbenih form in harmonij; med temi tudi dve prvotno baletni glasbi (*Jeux* in *Petruška*), ki ju je v začetku 20. stoletja premierno izvedel sloviti ansambel Djagileva Ballets Russes s famoznim koreografom Nižinskim.

Koncert je del turneje »RCO meets Europe«, ki se bo začela avgusta 2016 in bo trajala dve sezoni in pol. V okviru turneje bo orkester nastopil v vseh 28 državah članicah Evropske unije.

Its string section has been called „velvety“, the sound of the brass „golden“, the timbre of the woodwinds „distinctly personal“ and the percussion have an international reputation – these are the attributes of the Royal Concertgebouw Orchestra, one of the world's finest orchestras. In the opinion of many connoisseurs, the acoustics of its home venue, the Concertgebouw in Amsterdam, are the best in the world. As well as 80 concerts performed here, the RCO gives 40 concerts at leading concert halls throughout the world each year. Since its foundation in 1888, the orchestra has been led by a succession of outstanding conductors, among them famous composers such as Gustav Mahler and Richard Strauss. With effect from the 2016/17 season, the chief conductor of the RCO is Daniele Gatti, who until this year was the music director of the Orchestre National de France. Before that he served as principal conductor of the Royal Philharmonic Orchestra, chief conductor of the Zurich Opera, music director of the Orchestra del Teatro Comunale in Bologna and principal conductor of the Orchestra Dell'Accademia Nazionale di Santa Cecilia in Rome, among other appointments. Together with the RCO he will present a programme of remarkable colour, frequent changes of tempo and unconventional musical forms and harmonies. The programme includes two works originally written to accompany ballets (*Jeux* and *Petrushka*) that were premiered in the early twentieth century by Diaghilev's famous Ballets Russes, featuring the legendary dancer and choreographer Nijinsky.

The concert is part of the "RCO meets Europe" tour, which begins in August 2016 and will last for two and a half seasons. Over the course of the tour, the orchestra will perform in all 28 Member States of the European Union.

# LAIBACH in SIMFONIČNI ORKESTER RTV SLOVENIJA / and RTV SLOVENIA SYMPHONY ORCHESTRA

**Tematski večer / Themed Evening**

Dirigent / Conductor: **Simon Dvoršak**

Po uspešnem nastopu v sodelovanju s Simfoničnim orkestrom RTV Slovenija 9. februarja v znameniti bruseljski dvorani Henry Le Boeuf v Palači lepih umetnosti (BOZAR) bo skupina s simfoniki in mešanim zborom 2. septembra v Križankah pripravila razširjen koncertni program. V prvem delu nastopa bo premierno predstavila popolnoma novo delo, 30-minutno avtorsko kompozicijo po motivih Krsta pri Savici Franceta Prešerna, kjer dogajanje poteka v času pokristjanjevanja Slovencev in bojev med kristjani in pogani. Ta skladba bo odigrana v povezavi z Laibachovo interpretacijo odlomka iz nedokončane Griegove opere Olaf Trygvasson, ki tematizira krvavo rojstvo krščanstva na Norveškem in Švedskem. Skupina je to delo premierno izvedla na festivalu sodobne glasbe Ultima v Oslou 2014, ljudljanska izvedba obeh del pa se ujema s 30. obletnico postavitve retrogardističnega dogodka Krst pod Triglavom Gledališča sester Scipiona Nasice, za katerega je zvočni »libreto« takrat prav tako prispeval Laibach.

V drugem delu koncerta bo Laibach predstavil še nabor skladb, ki jih je v Bruslu odigral z RTV simfoniki, vendar bodo v Ljubljani aranžmaji dodelani za večji orkester (Smrt za smrt, Eurovision, Now You Will Pay, Whistleblowers, We are Millions and Millions are One, Resistance is Futile, Opus Dei/Leben heisst Leben), ob gostovanju Borisa Benka (Silence) pa bo Laibach premierno odigral še orkestrsko predelavo skladbe Warszawskie Dzieci (Varšavski otroci), posvečeno tragični Varšavski vstaji med nemško okupacijo mesta leta 1944.

Kot vsi koncerti skupine Laibach bo tudi tokratni nastop multivizijski, opremljen z bogatimi filmskimi projekcijami.

Orkestracijo za orkester bo izdelal mladi slovenski skladatelj Anže Rozman, dirigent pa bo Simon Dvoršak.

Following their successful concert with the RTV Slovenia Symphony Orchestra in the famous Henry Le Boeuf Hall of the BOZAR arts centre in Brussels on 9 February, the group – accompanied by symphony orchestra and mixed choir – has prepared an expanded programme for their appearance at Križanke on 2 September. The first part of the concert will include the premiere performance of a brand-new work, a 30-minute original composition based on France Prešeren's *Baptism By The Savica*, set in the period of the conversion of Slovanes to Christianity and the battles between Christians and pagans. This piece will be paired with Laibach's interpretation of an extract from Grieg's unfinished opera *Olaf Trygvasson*, which deals with the bloody birth of Christianity in Norway and Sweden. The group performed this work for the first time at the Ultima Contemporary Music Festival in Oslo in 2014. The Ljubljana performance of the two works coincides with the 30<sup>th</sup> anniversary of the staging of the "retrogarde event" *Baptism Below Triglav* by the Sisters of Scipio Nasica Theatre, to which Laibach contributed the soundtrack.

In the second part of the concert, Laibach will present a selection of the pieces they performed in Brussels with the RTV Slovenia Symphony Orchestra, this time in arrangements for an even larger orchestra ("Smrt za smrt", "Eurovision", "Now You Will Pay", "Whistleblowers", "We Are Millions And Millions Are One", "Resistance Is Futile", "Opus Dei/Leben heisst Leben"). Finally, they will be joined by special guest Boris Benko (Silence) for the premiere performance of the orchestral arrangement of "Warszawskie Dzieci" (Children of Warsaw), dedicated to the tragic Warsaw Uprising during the German occupation of the city in 1944.

Like all Laibach concerts, this will be a multivisual event accompanied by stunning film projections.

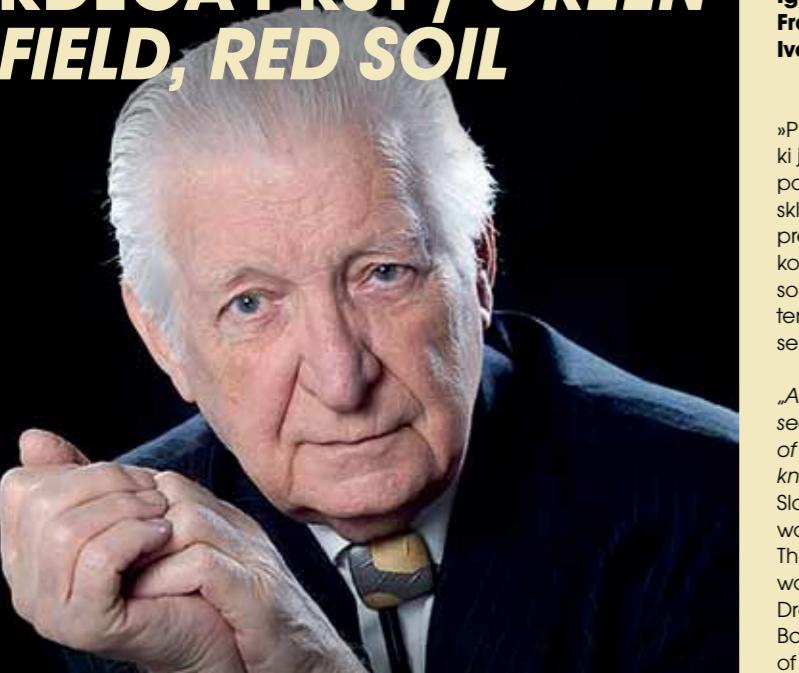

Orchestrations are by the young Slovene composer Anže Rozman. The orchestra will be conducted by Simon Dvoršak.

»Pred poslušalci se razkrije simbioza besed in zvoka, pred njimi je skrivna pot, ki je v zemlji naletela na vodo, glino, kamen. Ob že znanih inštrumentih so roke povabljenih umetnikov izdelale nove,« je o dogodku zapisal ugledni slovenski skladatelj in avtor projekta Pavel Mihelčič, ki je v celostni umetniški dogodek prepletel zvočni in besedni svet s svojim razmišljjanjem o glasbi. Osrednja skladba koncerta bo Kamen in voda za keramične in kamnite inštrumente z vodo, ki so jih izdelali akademski kiparki Dragica Čadež Lapajne in Alenka Vidgar ter akademski slikar Boštjan Lapajne. Edinstveni inštrumenti bodo od 6. do 16. septembra na ogled v Viteški dvorani Križanke.

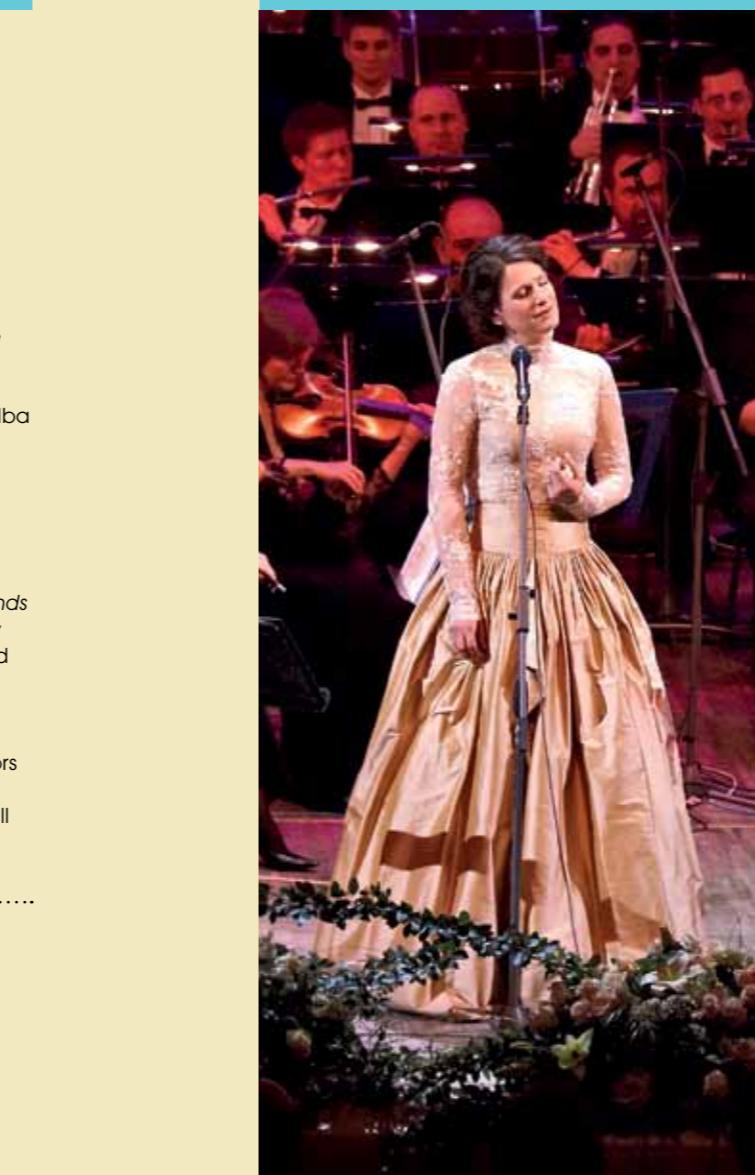

*„A symbiosis of words and sound reveals itself to the listeners. Before them is a secret path, a path in the earth that encounters water, clay and stone. The hands of the invited artists have created new instruments alongside those we already know.“ This is how the event is described by the project’s creator, the renowned Slovene composer Pavel Mihelčič, who intersperses a world of sound and words with his own thoughts about music to create a total artistic experience. The centrepiece of the concert will be the composition Stone and Water for water-filled ceramic and stone instruments made by academy-trained sculptors Dragica Čadež Lapajne and Alenka Vidgar and academy-trained painter Boštjan Lapajne. # Adolphe Adam: GUSAR LE CORSAIRE

Romantični balet v treh dejanjih  
Romantic ballet in three acts

Balet SNG Maribor / Ballet SNG Maribor

Izvirni libreto / Libretto: **Jules-Henri Vernoy de Saint-Georges**

Po motivih pesnitve *The Corsair* Georgea Gordona Byrona / Based on a poem *The Corsair* by Lord Byron

Dirigenta / Conductor: **Farhads Stade, Simon Robinson**

Koreograf / Coreographer: **Aivars Leimanis**

Byronov ep v verzih Gusar (The Corsair) iz leta 1814 poudarja romantično navdihnjenošč nad eksotičnimi kraji, kjer se je čas pogosto ustavil v brezkončnosti trenutka in kjer so se lahko uresničile tudi največje fantazije. V pesnikovem delu se kaže v upodobitvi lajniškega kapitana Conrada, ki ga je družba izgnala in ga tako prisilila v piratstvo. Nenavadni obrat usode – ugrabitev lepotice Medore, v katero se Conrad zaljubi – postavi ljubimca pred novo preizkušnjo. Da bi osvojil Medoro in jo osvobodil iz suženjstva Seida paše, Conrad s svojimi prijatelji načrtuje napad na pašev harem in se poda na vznemirljivo pustolovščino. Romantični balet, ki ga je po Byronovi pripovedi v verzih ustvaril Jules-Henri Vernoy de Saint-Georges leta 1855, je prvi koreografiral Joseph Mazillier na glasbeno partituro Adolpha Adama, ki se je petnajst let pred pravivedbo Gusarja že proslavil z izvirno glasbo baleta Giselle. Balet je prvič v celoti na slovenskih tleh predstavila mariborska produkcija aprila letos, v plesni kreaciji prizanega latvijskega baletnega ustvarjalca, koreografa in plesalca Aivara Leimanisa.

*Written in 1814, Byron's tale in verse The Corsair evinces the romantic interest in exotic places where time seemed to stand still in the infinity of the moment and where even the greatest fantasies could come true. This spirit is personified in the poet's work by the figure of Conrad, a ship's captain who has been banished from society and forced to become a pirate. A sudden twist of fate – the kidnapping of the beautiful Medora, with whom Conrad has fallen in love – sees the two lovers face a stern new test. In order to rescue Medora and free her from a life of slavery, Conrad and his friends plan an attack on Seyd Pasha's harem and set off on an exciting adventure. The romantic ballet based on Byron's verse-tale was created by Jules-Henri Vernoy de Saint-Georges in 1855 and originally choreographed by Joseph Mazillier to music by Adolphe Adam, who had already won acclaim with his original music for the ballet Giselle fifteen years earlier. The first integral production of the ballet in Slovenia was staged in Maribor in April this year, with choreography by the renowned Latvian ballet director, choreographer and dancer Aivars Leimanis.*

# SNEŽNA KRALJICA SNOW QUEEN

Avtorski projekt / Original project

Tina Mauko, klavir / piano

V izvirnem avtorskem glasbenem performansu Tina Mauko improvizira na klavir, povezano z avtorsko posneto glasbeno podlago, ki podpira zgodbo. Glasba ohranja stik z domišljijskim svetom v čisti obliki, ne da bi bila omejena z besedo. Snežno kraljico po zamisli mlade slovenske skladateljice, pianistke in improvizatorke spoznamo v pravljici s sedmimi zgodbami kot strašen lik, ki ugrabi dečka Kaja.

*This highly original musical performance sees Tina Mauko tell a story through improvisation on the piano over original recorded music that supports the narrative. The music keeps contact with the world of the imagination in its purest form, without the limitation of words. In the conception of this young Slovene composer, pianist and improviser, the Snow Queen is revealed to us, in a tale of seven parts, as a terrible figure who kidnaps a little boy, Kay.*

Simfonični orkester iz kitajskega mesta Shenzhen, ki na jugu meji s Hongkongom, je bil ustanovljen leta 1982. Velja za enega najboljih kitajskih orkestrov in veliko koncertira tudi na tujem. Predstavlji se bo s kitajskim violinistom Chen Xijem, ki je že s petnajstimi leti zmagal na mednarodnem violinškem tekmovanju Lipinski-Wieniawski na Poljskem, pri sedemnajstih pa zmagovalno blestel na prestižnem tekmovanju Čajkovski v Moskvi. Z uvodno simfonično pesnitvijo kitajskoga skladatelja Xuja bo orkester pričaral barvne odtenke kitajske glasbene tradicije, pester program pa sestavlja še koncertantno delo velikega finskega simfonika Sibeliusa in znamenita simfonična suite ruskega mojstra orkestracije Rimskega-Korsakova. *The symphony orchestra from the Chinese city of Shenzhen, which lies just north of Hong Kong, was founded in 1982. It is one of the finest Chinese orchestras and frequently performs abroad. The orchestra performs here with the Chinese virtuoso violinist Xi Chen, who won the Lipinski-Wieniawski International Competition for Young Violinists at the age of just 15 and took a dazzling top prize at the prestigious International Tchaikovsky Competition in Moscow at 17. With the introductory symphonic poem by the Chinese composer Xu, the orchestra will conjure up the tonal palette of the Chinese musical tradition. The varied programme also includes a concertante work by the great Finnish symphonist Sibelius and the famous symphonic suite by the Russian master of orchestration Rimsky-Korsakov. The orchestra will be conducted by Daye Lin, the winner of the 2012 Sir Georg Solti International Conducting Competition in Frankfurt.*

Balet / Ballet

Akademski državni balet Borisa Eifmana  
iz Sankt Peterburga / St. Petersburg State  
Academic Ballet Theatre of Boris Eifman

Balet Borisa Eifmana / A ballet by Boris  
Eifman

Glasba / Music: George Gershwin, Franz  
Schubert, Alban Berg

Scena / Sets: Zinovi Margolin

Kostumi / Costumes: Olga Šajšmelašvili

Luč / Light: Gleb Filšinski, Boris Eifman

Boris Eifman je eden največjih svetovnih koreografov, ki je ustvaril svojstveni baletni univerzum. Upravičeno ga označujejo kot »koreografa filozofa«, bolj subtilna opredelitev, ki natančno ujame estetsko individualnost velikega baletnega mojstra, pa bi bila »koreograf psihoanalitik«. Eifman namreč verjame, da orodje baleta odpira plesnemu ustvarjalcu resnično neomejene raziskovalne možnosti, zato se potopi v neznane globine notranjih svetov svojih likov in prodre v najbolj skrite kotičke njihove podzavesti. Balet *Up & Down* je kvintesenca psihoanalitične raziskave koreografa. Vzponi in padci likov se dogajajo v čudoviti dobi jazz-a – neustavljivem prazniku življenja. Boris Eifman s plesalcji pripravlja mojstrsko poustvaritev dobe svobode, čutnosti in hedonizma, pri tem pa izpostavlja temeljno sporočilo: »Kdor pozabi na svoje poslanstvo in izniči lasten talent, je pogubljen, uničuje ga kompromis z zahrbtnim svetom, polnim skušnjav. Balet *Up & Down* želi opomniti na usodne posledice, ki si jih človek lahko povzroči, ko sam sebe izda.«

Boris Eifman is one of the world's greatest choreographers who has created his own unique ballet universe. He is justly known as a «choreographer-philosopher», but a more subtle definition that accurately captures the aesthetic individuality of the great maestro would be a «choreographer-psychanalyst». Rightly believing that the tools of ballet open up truly unlimited research opportunities to the dance creator, Eifman plunges into the unknown depths of the inner worlds of his characters and penetrates the most hidden corners of their subconscious. The ballet *Up & Down* is the quintessence of the choreographer's psychoanalytic research. The characters' ups and downs are set against the background of the magnificent Jazz Age – the unstoppable feast of life. Boris Eifman and his dancers masterfully recreate the era of freedom, sensuality and hedonism and in doing so offer a fundamental message: «A person that forgets his mission and destroys his talent is doomed, and a compromise with the treacherous world full of temptations is always destructive. The ballet *Up & Down* serves to remind us of the fatal consequences of a man betraying himself.»

### EKO poletje na Festivalu Ljubljana / Eco-Summer at the Ljubljana Festival

Delavnice v sklopu Male likovne kolonije na 64. Ljubljana Festivalu so namenjene predvsem ustvarjalnim šolskim otrokom. V sodelovanju s strokovnimi mentorji želimo omogočiti razvoj likovnega talenta, spodbujati njihovo kreativnost ter jih seznanjati z likovno teorijo in tehnikami. Vse to bodo lahko doživeli in se seznanili z udeležencji XIX. Mednarodne likovne kolonije. Delavnice bodo potekale na svežem zraku v prijetnem ambientu Križank. Letošnja tema bo ekologija, saj želimo širiti koncept Ljubljane zelene prestolnice Evrope 2016. Vse izdelke bomo naredili iz odpadnega materiala in z recikliranjem v umetniškem jeziku ozavestili ravnanje z odpadki. Zadnji dan kolonije bomo tradicionalno pripravili odprtje likovne razstave ter predstavili umetniške dosežke posamezne ustvarjalne delavnice.

The workshops organised by the Little Art Colony at the 64<sup>th</sup> Ljubljana Festival are mainly aimed at creative schoolchildren. In collaboration with qualified mentors, we want to facilitate the

development of artistic talent, encourage children's creativity and teach them about art theory and artistic techniques. They will be able to experience all this and meet the artists taking part in the XIX International Art Colony. The workshops will take place in the open air, in the pleasant setting of the Križanke complex. The theme chosen this year is the environment, because we want to spread the concept of Ljubljana as European Green Capital 2016. All products will be made from waste material, and by recycling them in artistic language we will raise awareness of waste management issues. The last day of the Colony will see the traditional opening of the art exhibition and the presentation of the achievements of the individual creative workshops.

### Malá likovna kolonija / Small Art Colony

**11. 7., 10.00 - 12.00, Križanke**

### PAPIRNATI DAN / PAPER DAY

Mentor / Mentor: **BRANE SOLCE**

Z otroki bomo spoznavali, kaj so odpadki in kako jih ločujemo. Odkrili bomo, da lahko marsikateri odpadni material sami uporabimo drugače in iz starega naredimo novo umetniško delo.

Together with the children we will learn what waste is and how we separate different types of waste. We will discover that there are alternative uses for lots of waste materials and that we can even make new works of art from something old.

**12. 7., 10.00 - 12.00, Križanke**  
**EKO LUTKA / ECO-PUPPET**

Na kreativni delavnici bomo spoznali in izdelali eko lutke, ki bodo različnih oblik in materialov. Spoznali bomo, kako pomembno je ročno delo in kako z naravnim materialom narediti lutko, ki je lahko veliko bolj zanimiva od tistih v trgovini.

*At this creative workshop we will learn about eco-puppets and make a variety of puppets using different materials. We will learn about the importance of making things by hand and how to make a puppet using natural materials that will be much more interesting than those you find in a shop.*

**13. 7., 10.00 - 12.00, Križanke**

### NARAVNE BARVE / NATURAL COLOURS

Narava nam ponuja široko paletto barv in načinov, kako jih pridobivamo, zato bomo na delavnici Naravne barve raziskovali, preizkušali, in kar je najpomembnejše, packali.

*Nature offers us a broad palette of colours and lots of different ways to obtain them. In this workshop we will explore them, experiment with them and, most importantly, paint with them.*

**14. 7., 10.00 - 12.00, Križanke**  
**GLASBILA IZ NARAVE / MUSICAL INSTRUMENTS FROM NATURE**

Že samo ob omembi glasbe in glasbil odplavajo naše misli daleč stran, v notranji domišljiji svet. Glasbo lahko izvabimo iz glasbil, zvočil kot tudi iz predmetov iz narave ter odpadnega materiala. Z otroki bomo poiskali novo zvočno dimenzijo ter razvijali ekološko odgovornost do okolja.

*The mere mention of music and musical instruments is enough to send us drifting away into the inner world of our imagination. We can make music with instruments and other sound-makers, but also with things we find in nature and even waste material. Together with the children we will discover new dimensions of sound and develop a sense of responsibility towards the environment.*

**15. 7. ob 11.30 / at 11.30 am, Peklenko dvorišče / Devil's Courtyard**

### RAZSTAVA VSEH DEL / EXHIBITION OF ALL WORKS

**22.8. - 27.8., 10.00 - 13.00, Križanke, Konservatorij za glasbo in balet Ljubljana / Conservatory of Music and Ballet, Ljubljana**

Kostumografija / Costume design: **Tina Bonča**

S povezovanjem otrok od 9. do 15. leta z nadarjenimi gibalno oviranimi otroci pripravljamo malo gledališko plesno predstavo Predani korakom. Tema bo zgodba o Sisi, ki konec letošnjega avgusta gostuje na Festivalu Ljubljana v Križankah. Gre za sodelovanje v sklopu projekta #PredaniKorakom, ki poteka v sodelovanju z Zavarovalnico Tilia, Ljubljanskim maratonom, Festivalom Ljubljana, URI Soča in ambasadorem projekta, dramskim igralecem Jernejem Šugmanom.

The workshop aims to bring together talented disabled youngsters and schoolchildren aged 9-15 to create a short dance theatre piece called Predani korakom ("Committed to steps"). The theme of the piece is the story of Sissi, which is coming to Križanke at the end of August as part of this year's Ljubljana Festival. The workshop is part of the ongoing #PredaniKorakom project, which is supported by Zavarovalnica Tilia, Ljubljana Marathon, Festival Ljubljana and the project's ambassador, the actor Jernej Šugman.

## KOMORNI KONCERT IVRY GITLIS IN PRIJATELJI / CHAMBER CONCERT IVRY GITLIS AND FRIENDS

Ivry Gitlis, violina / violin

Program / Programme:  
Bo objavljen naknadno / To be announced

Izraelski virtuož na violinini Ivry Gitlis je eden izmed zadnjih mojstrov »zlate generacije«. Nastopal je z vrhunskimi svetovnimi orkestri, vključno s filharmonijami iz Londona, New Yorka, Berlina, Dunaja, Philadelphie in Izraela ter tako rekoč z vsemi pomembnimi glasbeniki našega in prejšnjega stoletja, od Jasche Heifetza do Johna Lennonja. Pravzaprav bi težko našel vse umetnike, s katerimi je sodeloval v svoji karieri. Na koncertu bo sodeloval violinist Anton Martinov, ki Gitlisa zadnja leta spremlja na številnih koncertnih gostovanjih, in drugi izbrani glasbeniki Akademije Branimir Slokar.

Ivry Gitlis, one of the last of the 'golden generation' of masters during the first half of the 20th century, has

played with everyone from Jascha Heifetz to John Lennon. Actually, it would be difficult to enumerate the musicians and artists with whom Ivry Gitlis has worked in the course of his career as a violinist. A violinist who, the moment he draws the bow across the strings of his instrument, makes it seem as if the likes of Austrian composer-violinist Fritz Kreisler or Polish violinist Josef Hassid has been resurrected before us. He is the stuff of these legendary players, who saw music and sound and technique in a completely different way than musicians do today. His concert of chamber music will gather some finest musicians of Branimir Slokar Academy and violinist Anton Martynov who supports Gitlis on his many musical journeys around the world.

## KOMORNI KONCERT ZA POZAVNO IN VIOLINO / TROMBONE AND VIOLIN CHAMBER MUSIC CONCERT

Umetniški vodja / Artistic direction: Branimir Slokar, pozavna / trombone in / and Ivry Gitlis, violina / violin

Program / Programme:  
Bo objavljen naknadno / To be announced

Na mojstrskih tečajih Akademije Branimir Slokar udeleženci poglavljate znanje iz solistične literature. Ivry Gitlis, izraelski virtuožni violinist, eden izmed zadnjih mojstrov »zlate generacije«, ki je igral z vsemi od Jascha Heifetza do Johna Lennonja, je mladim namenil te besede: »Dragi mladi kolegi iz prihajajoče

generacije. Prosim vas, bodite pogumni in zvesti sebi, tvegajte ter ne postanite kopije posnetkov drugih. Svoj inštrument vadite, da se boste lahko otreli psihološko-tehničnih omejitev in da boste lahko z igranjem ustvarjali. Prisluhnite svojemu notranjemu ušesu, ki je povezano neposredno z vašim srcem in dušo – s tistim, kar vam govoriti, da so vaši občutki resnično vaši! Tisto, česar ne čutite, to niste vi. Ne pozabite, da je 'napačna' nota Kreislerja, Thibauda ali Casalsa vredna več kot tisoč tako imenovanih 'pravilnih' not ter da higiениčno in klinično pravilno igranje ni vedno znak dobrega zdravja! Bodite pogumni! Ostanite zdravi!«

Branimir Slokar uči na številnih mojstrskih tečajih po svetu. Je znan avtor pedagoške literature za začetnike in izkušene pozavniste. V dolgi in plodni karieri je vzgajil izjemno število odličnih pozavnistov.

Na programu koncerta bodo klučna dela literature za violino in pozavno po izboru, izoblikovanem med tečajem.

Master classes within the Branimir Slokar Academy offer an active participant a perfect insight into music literature with the guidance of excellent musicians. Ivry Gitlis, one of the last of the 'golden generation' of masters during the first half of the 20th century, has played with everyone from Jascha Heifetz to John Lennon. His words to young musicians: "Dear young colleagues of the up-and-coming generation, please have the courage to be yourselves, to take risks and not be copies of your recordings or of others'. Practice your instrument in order to free yourself from any psycho-technical constraint, to be able to create when you play. Listen to your inner ear, which is connected directly to your heart and spirit, the one that tells you what you feel is you! And the one you don't feel isn't you. Remember that a beautiful "wrong" note by a Kreisler, a Thibaud, a Casals or a Callas is worth more than a thousand so-called "right" notes and that playing that is hygienically and clinically correct is not necessarily a sign of good health! Take heart! Stay healthy!"

media, music, film, theatre, design, etc. The aim is to create, in a district that is home to important Slovene cultural institutions such as MGML (Museum and Galleries of Ljubljana), Mini Teater, ZRC SAZU, The Ljubljana Festival, the School of Design and Photography and the National and University Library, a festival that will incorporate and integrate a rich artistic heritage with current artistic and creative endeavours, showcase new qualities of creativity and allow reflection on contemporary trends of participation and intergenerational dialogue. Why is the theme of this year's edition NO Fear?

- Openness is an antidote to fear of the new and the different
- Integration and open doors (including in the literal sense) act as a counter to ignorance and the prejudices of inbuilt fear
- The element of fear is omnipresent, but hope remains.
